PRESIDENT MAY ABANDON TRIP TO PACIFIC COAST.

Domestic Problems and Mexican Policy to Get Complete Executive Thought; Sees Pact Fight End.

(EXCLUSIVE DISPATCH.)
WASHINGTON, Aug. 20.—Abandonment of President Wilson's trip to the Pacific Coast is seen as a result of the conference held yesterday at the White House at which the President and the Foreign Relations Committee reached agreement for quick disposition of the League of Nations covenant. With the fight against the League of Nations covenant, the President views the necessity of the nation on adoption of the terms of peace and also the present war effectively abolished.

The President is disposed to give his entire time and thought to a study of domestic problems, some of which are reaching the acute stage. In Washington he considers almost obligatory at this time to devote the last twenty-four hours Mr. Wilson is understood to have held to postpone his contemplated "swing around the circle."

Reasons that have been given for the President's decision to postpone his trip to the Pacific Coast are the numerous international questions that are to be discussed at the Washington conference in October and in the future status of the League of Nations.

NATIONAL STEEL STRIKE VOTED BY UNION WORKERS

(BY A. P. NIGHT WIRE.)
YOUNGSTOWN (O.) Aug. 20.—Ninety-eight per cent. of the steel workers voting on the question of a national strike voted in favor of a walk-out, it was announced here this afternoon by W. Z. Foster, secretary-treasurer of the American Federation of Labor's committee on organization in the steel industry, which canvassed the vote today.

Foster said that the committee is taking up the matter of setting a date for the strike.

The committee did not give out the number of votes cast. Presidents of the twenty-four international American Federation of Labor unions which have members in the steel industry are in session to decide the question.

The matter of setting a date has been referred to a conference committee, Foster said, which includes Samuel Gompers.

The strike question will not be referred again to the internationalists, it was stated, as their vote gives the executive committee full power to act.

Twelve basic demands will be made upon the manufacturers, Foster said, in addition to minor demands to be formulated by the twenty-four international unions which have members working in the steel industry.

These basic demands are:
(1) Right of collective bargaining.
(2) Reinstatement of all men discharged for union activities with pay for time lost.
(3) One day's rest in seven.
(4) Abolition of twenty-four-hour shifts.
(5) Increase in wages sufficient to guarantee American standards of living.
(6) Standard scale of wages for all crafts and classification of workers.
(7) Double rates of pay for all overtime work and for work on Sundays and holidays.
(8) Check-off system of collecting union dues and assessments.
(9) Principles of seniority to apply in maintaining, retraining and increasing working forces.
(10) Abolition of company unions.
(11) Abolition of physical examination of applicants for employment.

The propositions are said to be general in character and are subject to development when the organization prepares its trade demands.

INDIANA GUARD GOES TO END STRIKE RIOT.

(BY A. P. NIGHT WIRE.)
INDIANAPOLIS (Ind.) Aug. 20.—Ten companies of State troops to-night were ordered mobilized for transportation to Hammond, Ind., where efforts to end a strike of employees of the Standard Steel Car Company are said to have failed today.

The call for troops was received tonight by Gov. Goodrich from Sheriff Barnes of Lake county and Mayor Brown of Hammond, who stated they believed the situation would be beyond their control by morning.

(BY A. P. NIGHT WIRE.)
HELENA, Aug. 20.—"In view of heavy rains of the last few days," the War Department does not feel justified in recommending that Federal troops be used to fight forest fires in Montana, a letter from the office of Secretary Baker to Charles T. Stewart, Secretary of State for Montana, said today.

IGOE WINS FIGHT FOR SHOE PRICES INQUIRY.

HOUSE ORDERS FEDERAL TRADE COMMISSION TO MAKE AN INVESTIGATION.

(EXCLUSIVE DISPATCH.)
WASHINGTON, Aug. 20.—The first legislative action toward reduction of the high cost of living was the adoption by the House yesterday, of the resolution introduced by Representative William L. Igoe, Democrat, of Missouri, directing the Federal Trade Commission to investigate the increase in shoe prices.

Since the question of living costs first came into the legislative limelight, Igoe has been insistent in his demands for an inquiry into the shoe business. He has claimed—and presented statistics to prove his contention—that the cost of shoes is not based upon any economic condition and that the rises have been due to profiteering.

Rather in proof of his statements was an announcement, made a few days after he had started his campaign for an investigation, by a wholesale shoe dealer that the threatened advance of 50 per cent. in shoe prices would not be made in September, as had been forecast.

The fact that the House voted an amendment to extend the Federal Trade Commission inquiry into prices of clothing, food and other necessities indicates that Igoe made a strong case against the shoe manufacturers, jobbers and retailers, for he included all branches of the trade in his indictment, alleging profiteering.

Supporting his contention, news comes from Boston that a county grand jury inquiry into the cost of shoes developed the fact that some shoe workers had been earning \$129 a week. The average wage was shown to be \$60 and the minimum \$40 a week. The inquiry also established instances where a pair of shoes sold by a manufacturer for \$5.50 was displayed in a store 400 yards from the factory, bearing the price mark \$12.

Carnegie Estate Several Times Fifty Millions

(BY A. P. NIGHT WIRE.)
NEW YORK, Aug. 20.—Although Andrew Carnegie, steel magnate and philanthropist, declared during his lifetime that he expected to give away his huge fortune and "die a pauper," his estate, to be disposed of by a will which will be filed for probate next week, was "several times \$50,000,000," it was learned from an authoritative source tonight.

Publication of a story that Mr. Carnegie had given away all of his estate except about \$50,000,000 brought the statement.

It also was stated that a will of approximately 4500 words, drawn by Mr. Carnegie himself and which was generally believed to be his last will, had been superseded by a brief document of 2000 words drawn by Elihu Root.

The decision of Mr. Carnegie to revoke the original will, which bequeathed a large part of his estate to his daughter, Margaret, was said to have resulted from her marriage to Ensign Roswell Miller several months ago. Mr. Carnegie settled a large "dot" on his daughter at the time of her wedding.

The Home Trust Company of New Jersey, which was organized by Mr. Carnegie in 1901 to administer a fund set aside by him for nearly 500 persons to whose individual welfare he had contributed, will act as executor of the will.

SAN FRANCISCO, Aug. 20.—One of the most flagrant cases of alleged profiteering in food was uncovered here today by a report handed in to the office of Special Investigator Blanford, in which it was declared that the California Packing Corporation engineered a deal whereby they made \$7.25 a case in the buying of canned prunes at auction from the government.

MEXICAN PRESIDENT RESENTS U. S. INVASION; GEN. DICKMAN TO PAY BALANCE OF RANSOM

CALL BACK ARMY, PLEA

Mexico Fails to Halt Expedition.

(EXCLUSIVE DISPATCH.)
WASHINGTON, Aug. 20.—Carranza troops and the American punitive expedition now pursuing bandits in Mexico may clash.

This possibility was indicated tonight when the Mexican Ambassador made public a message from the Mexican Consul at Presidio, urging that the War Department be induced to withdraw Col. Langhorne's forces "to avoid difficulties."

So far as could be learned the Mexican Ambassador has made no representations to the Washington government, but it was made clear in official quarters that the troops sent to pursue bandits who captured and held for ransom the American aviators, Davis and Peterson, would not be withdrawn at this time under any circumstances.

MEXICAN MESSAGE.

The message to the Mexican Ambassador from the Consul at Presidio was as follows:
"12:30 p.m. Y. Bonillas, Ambassador of Mexico, Washington, D. C.
"Col. Langhorne informs me that the last American aviators landed near Falmir station where airplane remains. They were taken prisoner by twenty Villista bandits, who took them over the mountains near Cuichillo Parado toward San Antonio and Pinar, State of Chihuahua."
"Jesus Renteria, chief of the band, demanded \$15,000 ransom which was taken by Kilpatrick from Cuichillo, Tex., where the aviators remain to identify the bandits. Col. Langhorne informs me that American troops will cross boundary in pursuit to avail themselves of the opportunity of capturing the bandits and for no other purpose. As Gen. Pruneda is making the pursuit, I have notified Col. Langhorne so he may obtain the return of his forces to avoid difficulties. Please obtain such an order from the department."

"COSME BENGOCHEA," "Consul of Mexico."
Earlier in the day War Department officials had indicated that there was a clear understanding between Mexican and American military authorities regarding the punitive expedition and a message from Gen. Dickman on this subject seemed reassuring on this point.

"Mexican Consul at Presidio and Gen. Pruneda at Ojinaga," Gen. Dickman wired, "were notified of our intent of the opportunity of the bandits at 6 o'clock and their co-operation asked this morning. Later the Consul called me up and said that Gen. Pruneda was preparing to leave with a force in compliance with orders from Gen. Dugues, translation of which was sent you yesterday, to look for the aviators and fallen plane."

U. S. INVASION; GEN. DICKMAN TO PAY BALANCE OF RANSOM

(BY A. P. NIGHT WIRE.)
SAN ANTONIO (Tex.) Aug. 20.—Announcement that Gen. Dickman, commander of the Southern Department, would go to Marfa to look into all phases of the capture and ransom of Lieuts. Davis and Peterson and the pursuit of their Mexican bandit captors, which is in progress, was made tonight at Southern Department headquarters.

No advice directly from the pursuit troops had been received today, Col. Johnston said. He added that, while in Marfa, Gen. Dickman probably would look into the reports of only partial payment of the ransom demanded by the bandits and that if only partial payment had been made the United States government was obligated to complete the payment to the bandits' agents.

It was inferred a possible solution of the difficulty would be to place the amount of ransom remaining unpaid at the disposal of Dawkins Kilpatrick, storekeeper at Candelaria, who was mentioned first in the bandits' demand.

MARFA (Tex.) Aug. 20.—After thirty-six hours of campaigning in Mexico below the Big Bend border, following "hot trails" of the Mexican bandits who held Lieuts. Peterson and Davis for ransom, American cavalry troops went into camp in the mountains tonight for the second time during the punitive expedition.

Since the troops crossed the Rio Grande early Monday morning they have been riding constantly during daylight hours in pursuit of the bandits.

The only contact with the bandits reported resulted in the killing of one of three Mexicans who fired on an American airplane yesterday. According to the aviators' report, the fight lasted twenty minutes. The aviators were unharmed.

Reports from the field are meager. As a result of the broken country south of the border the troopers have been forced to scatter and follow such trails as they can pick up. The country is too rough for airplanes to effect a landing.

A cryptic message, "with following trail," brought here by airplane today, was the only definite word from the expedition. No officers commanding troops have yet returned from the field to the base on the river.

May-Gen. Dickman, commander of the Southern Department, is expected to reach here tomorrow on an inspection of posts and camps along the border between San Antonio and Marfa. While his visit at this time is not believed here to be inspired by the local Mexican conditions, the commander undoubtedly will go over the situation in catching the bandits, the capture and ransom of the American aviators with Col. Langhorne, district commander. It is not known whether Gen. Dickman will go to the border while here.

CARRANZISTAS IN FIELD.

Reports from Presidio, Tex., told of movements of Mexican Federal cavalry under Gen. Antonio Pruneda today. Gen. Pruneda left Ojinaga last night, marching toward Cuichillo Parado, forty miles up the Conchos River.

The American troops have progressed so far into the interior of Mexico, it was learned tonight, that it has been found impracticable to get forage and heavy materials over the trails. Today the cavalry obtained feed for the horses from natives, paying cash for all purchases.

Long wagon trains are plying between the quartermaster depot here and the field base on the Rio Grande carrying rations and supplies for the troops of the punitive expedition.

The soldiers are spending their second night under Mexican skies under more favorable conditions than last night. There has been no rain since yesterday and the ground dries rapidly in the Mexican desert country.

The reports from Presidio, delayed because of storms that put field telephones out of commission, told of a meeting in the field yesterday between Gen. Pruneda, his officers, and American cavalry troops in the punitive expedition. Following the conference, American troops continued in pursuit of the bandits. A meeting is scheduled again for today.

The Mexican commander of the Ojinaga district expressed a desire to co-operate with the American troops in catching the bandits.

A message was received today by Col. Langhorne from the Mexican Consul at Presidio, giving information obtained by Carranza scouts in the Ojinaga district as to the possible whereabouts of the bandits who have been operating in the mountains and canyons since part of Villa's chase.

WANT CLAIMANT FOR RANSOM BALANCE.

(BY A. P. NIGHT WIRE.)
CANDELARIA (Tex.) Aug. 20.—Mexican newspapers received here today announcing Gen. Dickman's trip to Marfa and possibly to Candelaria in connection with payment of the remainder of the \$15,000 ransom for Aviators Peterson and Davis, created discussion here as to how and to whom the remainder of the ransom could be paid.

After securing the release of Lieut. Peterson Monday night, Capt. Leonard Matlack escaped with Lieut. Davis without paying the remainder of the ransom, amounting to \$5500, American cavalry.

As far as known, no associates or relatives of Renteria live near the border. Dawkins Kilpatrick, a storekeeper mentioned in the message the aviators were forced to write asking for ransom, refused to have anything to do with the transaction. Kilpatrick is guiding the pursuit.

RUSH RESERVE TANKS TO BORDER

(BY A. P. DAY WIRE.)
COLUMBUS (O.) Aug. 20.—Sixty-two more tanks recently were shipped from the army reserve depot here to forts on or near the Mexican border, it was learned today. During the last week 100 of the one-man wheeled-type fighting machines were shipped to the border. Three thousand rifles also have been shipped to border points within the last few days. Army officers at the depot refuse to comment on the significance of the shipments.

EAGLE PASS (Tex.) Aug. 20.—Maj. Gen. Dickman, commander of the Southern Department, who arrived here last night on his way to Marfa, today inspected the troops in the Eagle Pass district. He will leave later for the west.

Vernon Portside Allows the Beavers Only Two Hits—White Sox Win Again

MITCH HEAVES A SWELL GAME.

Portside Lets Beavers Down with Two Hits.

Tigers Have an Easy Time Defeating Ducks.

Bengal Shortstop has a Fine Day in the Field.

(EXCLUSIVE DISPATCH.)

PORTLAND, Aug. 20.—The Vernon Tigers retained their one-game lead over the Angels today when they took the second game of the Portland series. Final score, Vernon 5, Portland 2. If Wade Killefer's players wish to keep the Bengals from increasing their margin this week they had better watch their step against Sacramento, for if the Beavers win one game in the series, McCredie will count himself lucky. Lefty Schroeder invaded the Tigers den today and outside of the sixth inning pitched remarkable baseball. If that feat could be erased from the day's calendar the athletes might be going yet. Schroeder was touched for four hits and three runs during that heart-breaking round. Until then he had been sailing along prettily with a one-run lead. Schroeder was taken out in the eighth when Billy Spies hit for him. Harvey Sutherland chucking the closing stanza. Southpaw Willie Mitchell, made his debut here for Vernon and in view of the fact he allowed but two hits and struck out eighth the great portside delivered his victory. Mitchell walked three as against one for Schroeder. Like the young Portland star, Mitchell would like very much to forget that one inning, that season being the first in his case.

In that period he issued two of his three bases on balls to Rader and Wistler, the first two men to face him. Schaller's sacrifice hit advanced the pair and Blue punched the two Portland runs across on the one real, honest-to-goodness Portland hit, a solid crack to center. The only other single chalked up against Mitchell transpired when Siglin scratched a hit to Johnny Mitchell at shortstop. The locals were retired in order in every inning save the first, third and seventh. It was Mitchell's third and last base on balls in the third that gave Rader life for the second time and he reached second on Wistler's sacrifice. Siglin's dinky hit in the seventh spoiled the other perfect inning for Mitchell. Only these two Mackmen reached first base after the opening stanza.

CHET DOUBLED. Concerted hitting in the sixth won for the enemy. Chadbourne doubled to the right-field wall and when Meusel repeated the performance the former counted. Meusel registered himself a moment later on Horton's home run. Rader's error, Brock's infield out and Pitcher Mitchell's single scored the first Tiger run in the third, to which another was added in the sixth on Meusel's single. Horton's sacrifice and Fisher's second hit of the day. Johnny Mitchell at short for the Tigers had a great day. He made four assists, three of them calling for great fielding plays. Chet Chadbourne made a couple of great running catches. Bobby Meusel again looked the best player in the Pacific Coast League. In five times up he scored two runs and made three hits.

RIGHT AFTER REDS.

NEW YORK, Aug. 20.—New York defeated St. Louis in both sections of a double-header here today, 5 to 2, and 4 to 1. Toney pitched strongly in the first game, while the Giants bunched hits and passed and took advantage of St. Louis's misplays.

Mays pitched for St. Louis in the second contest, only four hits being made off him in seven innings. His wildness proved his undoing, as the three Giants who scored on him were hit on base by being hit or received their base on balls. The score:

WHO OPENED THE GATE?
(BY A. P. NIGHT WIRE.)
PHILADELPHIA, Aug. 20.—Leaving the clubhouse gate open probably prevented Philadelphia from winning both games from Chicago today. The locals won the first 10 to 2, and Chicago the second 6 to 5, in eleven innings. In the ninth of the second game, with Philadelphia two runs ahead, Merkle doubled and Deal's drive to left center rolled through the gate. Williams's return held Deal at second, but Umpire Klem ruled it a home run, which tied the score. Chicago won in the eleventh on three singles and Deal's double. The scores:

RIGHT AFTER REDS.

NEW YORK, Aug. 20.—New York defeated St. Louis in both sections of a double-header here today, 5 to 2, and 4 to 1. Toney pitched strongly in the first game, while the Giants bunched hits and passed and took advantage of St. Louis's misplays.

Mays pitched for St. Louis in the second contest, only four hits being made off him in seven innings. His wildness proved his undoing, as the three Giants who scored on him were hit on base by being hit or received their base on balls. The score:
New York 5, St. Louis 2.
New York: 1, 2, 3, 4, 5, 6, 7, 8, 9. Runs, 5; Hits, 10; Errors, 1.

WHO OPENED THE GATE?
(BY A. P. NIGHT WIRE.)
PHILADELPHIA, Aug. 20.—Leaving the clubhouse gate open probably prevented Philadelphia from winning both games from Chicago today. The locals won the first 10 to 2, and Chicago the second 6 to 5, in eleven innings. In the ninth of the second game, with Philadelphia two runs ahead, Merkle doubled and Deal's drive to left center rolled through the gate. Williams's return held Deal at second, but Umpire Klem ruled it a home run, which tied the score. Chicago won in the eleventh on three singles and Deal's double. The scores:

Brotherhoods Deny Refusing P. E. Freight.

RAIL ADMINISTRATION FINANCING EMBARGO?

to Have Perishable Freight Transferred by Motor Car Rather Than "Embarrass" Brotherhoods.

(Continued from First Page.)
The steam road men assured the Mayor that there was no danger now of the steam road organizations ordering sympathetic strikes, nor of taking official action ordering their men not to handle freight turned over to them from the Pacific Electric, where there is a strike now on. But the committeemen said that they were unable to control individual members of their organizations who might refuse to handle goods received from a road where there is now a strike on, and as the situation would daily grow more unstable, the committeemen told the Mayor they hoped that the strikes

could be settled. The Mayor told them of the organization of the mediation board, and read to them the letter from the board telling of its first day's work. The Mayor said that the steam road men declared they were immensely pleased with the steps he had taken. **DIED WHILE RETIRING.** Just as he was getting ready to go to bed at an early hour yesterday morning, Herman C. Degner, a retired business man, who came here from Chicago several years ago, was seized with heart failure and died in a few moments at his home, 4323 South Park avenue, this city. He was seventy years old, has three sons in business here, and three daughters in Chicago. The body was taken to the undertaking establishment of Alvarez & Blue, 586 Court street, and today the family will decide whether the deceased will be sent to Chicago for burial beside his late wife or be interred here tomorrow.

STRIKE BOARD IS HOPEFUL.

The Mayor's mediation board, of which Bishop J. J. Cantwell is chairman, will meet this morning at the City Hall to confer on the street railway strike situation. The members of the board hope that there will appear at the meeting today representatives of the Los Angeles Railway Company and of its striking employees. The board, at its first meeting yesterday, directed that letters be sent to each side in the strike of the men of the yellow car lines asking them to discuss with the board the strike situation. The board, after its first meeting yesterday, sent a letter to the Mayor which stated: "We believe that no organization of either capital or labor will refuse to meet with a fair and impartial committee to discuss measures whereby a better understanding might obtain. We are, therefore, inviting to meet with us Thursday, August 21, at 10:10 a.m., representatives of both the Los Angeles Railway and the men now on strike. Our reason for calling first upon these parties before others is the urgent need of the public for relief from existing city transportation conditions, which are destroying happiness and business of our city." The Mayor said last evening: "I am very much pleased at the manner in which the mediation board has started in on its work. It is a fine, high-minded committee sincerely desirous, I believe, of trying to bring about what is best for the city."

PUBLIC UTILITIES BOARD TELLS OF COMPLAINTS FROM HILL STREET.
Chief Engineer H. Z. Osborne, Jr., of the Board of Public Utilities, yesterday sent the following communication to Chief of Police Home, calling his attention to complaints that emergency interurban bus lines are loading, unloading, and soliciting passengers on Hill street between Fourth and Fifth streets: "Complaint has been made to this department regarding the loading and unloading of passengers and soliciting of passengers for interurban bus lines on Hill street between Fourth and Fifth streets. 'The temporary permits we have issued provide for loading and unloading the cars for Venice, Ocean Park, Sawtelle and the east side of Olive between Fifth and Sixth streets. The loading and unloading station of cars for San Pedro, Long Beach and Redondo has been established on the east side of Los Angeles street between Sixth and Seventh. Your co-operation in keeping the east side of Olive between Fifth and Sixth and the east side of Los Angeles between Sixth and Seventh free of private vehicles and for the main purpose of loading station for interurban buses is requested; and I respectfully recommend that the officers stationed on Hill street and on Los Angeles street be instructed to see that the interurban buses are required to load and unload in accordance with their temporary permits."

(Continued from First Page.)

their posts, but the places were filled within thirty minutes, according to the traffic department. Union men asserted that 95 per cent. of the machinists had struck. The interurban company yesterday reported that service on the Long Beach and San Pedro lines had been greatly improved. The Long Beach local lines resumed operation. The shuttle car began running between Glendale and Burbank, the Colgrove run was speeded up from fifteen to ten-minute service, eight crews went to work on the Watts and South Pasadena line, Venice, Sawtelle and Redondo via Del Rey lines enjoyed thirty-minute service, the Pasadena Short Line was running every twenty minutes, the Corona line resumed operation. The interurban lines were in order on the Edendale line, and the line between Redlands and San Bernardino was reopened. Cars for the accommodation of cement workers were running between Riverside and Bloomington. **LEADERS NOT FOUND.** While labor agitators in session at the Labor Temple yesterday afternoon declared they are going to win the transportation strike if they have to blow Los Angeles off the map to gain their point, E. F. Bowbeer, fourth assistant vice-president of Electric Railway Employees of America, and R. F. Dix, chairman of the employees' strike committee, were strangely conspicuous by their absence. Since secret service agents began checking up I.W.W. among the picketers Monday, interference on the part of strikers has been steadily weakening. Lack of leadership has been steadily increasing. In the past forty-eight hours, and the fact that neither Bowbeer nor Dix was seen about the city yesterday afternoon were still unable to locate them late last night. **SOME TROUBLE.** A city employee who has been identified by a number of witnesses spent a good deal of time Tuesday and yesterday driving a city oil truck on car tracks as slowly as the engine would run on Vernon between Maple avenue and Vermont, and on Moneta between Vernon and Seventeenth street. Complaint witnesses, the company says, unite in declaring that the act was for the purpose of interfering with street-railway traffic, which is in violation of the law. The intelligence bureau of the railway says it has accumulated evidence against a number of persons guilty of similar offenses, and that some of them are paid employees of the city. When an executive of the Los Angeles Railway alighted from a porthound car at Avenue 18 and Dayton street at 4:40 o'clock yesterday morning, the first man he saw was a former employee who is a striker. Upon being asked what he was doing so early in the morning, the striker replied: "I am out for the good of the cause. Come join us, and be a good fellow. I can right you. We have friends at the Courthouse who will give us an order to the County Poorhouse, and we have buses here to take us all down to the poor farm if we don't win." Strike leaders, in public statements, have stated that the strikers

"have been instructed to carry on the strike in an orderly manner," and have indicated that they would not tolerate methods which were calculated to outrage the public. The sincerity of the strike leaders is brought into question by the activities of strikers and their sympathizers in front of Union Labor Temple on every day of the strike. The attitude of the strikers is growing more offensive to the general public, according to many reports, fully corroborated, that were received yesterday at the office of the Los Angeles Railway. Foul, indecent and loathsome language has been used towards platform men engaged in their legitimate labor and even towards passengers on the cars, not infrequently in the presence of women, who had no way to avoid listening to the loud and shocking obscenity. Special officers in the employ of the Los Angeles Railway stated last night that they believed from fifty to seventy-five strikers formerly employed on the yellow lines are running jitneys at night and clearing from \$10 to \$15 an evening by hauling passengers at exorbitant rates, despite the fact that the city has not issued licenses for jitney buses within the city limits except for interurban service, such as runs to the beach cities or over Sunset boulevard. The officers express the belief that strikers are washing rich in this manner. It was announced by yellow car men weeks in advance of the strike that they would go into the bus business as soon as a strike was called. The main Public Library closed last evening at 7 o'clock on account of the strike and will close every evening this week at the same hour unless evening street-car service is resumed.

MUCH LIQUOR'S LOOT IN ALLEGED HOLD-UP.

MAN AND WIFE ARRESTED FOR LARCENY: POLICE HUNT VANISHED WHISKY.
Two hundred and forty pints of whiskey, held as security for an \$800 debt but which, according to the Pasadena police, were stolen yesterday at the point of a gun, are sought by Los Angeles authorities, following the arrest of Wilton J. Davis and his wife at 436 Grand View street last night by Detective Rowe and Taylor of the local police department and Officers Betts and O'Rourke of Pasadena. According to a complaint sworn to yesterday at the District Attorney's office, Wilton J. Davis and J. H. Meyers formerly operated a garage at Tucson, Ariz. When the partnership was dissolved, Meyers took 240 pints of whiskey as security of an alleged debt of \$800 owed him by Davis. Yesterday afternoon, according to Officer Betts, Davis, his wife and another woman drove up to the Meyers home in Pasadena, while Mr. Davis held up Mrs. Meyers with an automatic revolver, Davis and the other woman appropriated the whiskey and loaded it into an automobile. The trio, it is related, then disappeared toward Los Angeles. When the officers entered the Davis apartment a thorough search of the premises failed to reveal the liquor. Mr. and Mrs. Davis were held in the Pasadena City Jail without bail, on charges of grand larceny.
